

drawp for school

Media Kit

Overview

[Drawp for School](#) is an all-in-one K-12 platform for creation, collaboration, content and workflow management. It includes rich design tools, swipe-to-share collaboration and unlimited cloud storage. Drawp's accessibility tools, text-to-speech, voice recording, and ELL supports help teachers reach students wherever they are.

[Drawp's ELL Tool](#), a bank of bilingual scaffolding tools to support English learners, was created in partnership with the Los Angeles County Office of Education and the Val Verde Unified School District. The Drawp ELL Tool can be used to support all learners of any skill level and in any subject.

The free [Drawp Resource Marketplace](#) provides teachers with an easy-to-access repository of standards-aligned educational resources to download and share. Drawp for School is committed to student privacy and is COPPA, FERPA and GDPR compliant.

Drawp for School is partially funded by the National Science Foundation.

Drawp for School Press Releases & Announcements

Moondrop Awarded Competitive Grant from the National Science Foundation to Research and Develop the Drawp English Language Learner Tool

America's Seed Fund Provides R&D Funding for K-12 English Language Scaffolding Tool.

SAN FRANCISCO, May 31, 2018 – Moondrop Entertainment has been awarded a National Science Foundation (NSF) Small Business Innovation Research (SBIR) Phase II grant for research and development (R&D) of the Drawp English Language Learner (ELL) Tool. The research investigates how using the Drawp ELL Tool with elementary school students can leverage a student's native-language skills to help non-native speakers improve English language fluency and grade-level

comprehension... <https://blog.drawpforschool.com/post/174406288854/moondrop-awarded-competitive-grant-from-the>

Infinity Insurance and Drawp for School to Provide Free Read Conmigo Bilingual Storybooks to Schools

(SAN FRANCISCO, Calif., June 22, 2017) – Moondrop Entertainment, the creator of Drawp for School educational software, and Infinity Insurance, sponsor of the award-winning Read Conmigo bilingual literacy program, are working together to provide digital versions of free Spanish and English bilingual books to elementary schools. The complete Read Conmigo library will be rolled out on the Drawp Resource Marketplace, a site for teachers to browse, access, and share lesson plans and other educational resources for K12 students.

Drawp for School In the Media

Best Student-Collaboration Tools

“These tools mix productivity and creativity, getting students to share and collaborate on projects, give and take feedback, annotate, brainstorm, make media, or just hang out. No matter the use, there's tech here that'll show students how collaboration leads to better knowledge building as well as the development of social and emotional skills like teamwork.”
